

Statement of Animal Origin

Catalog Number: SN3HA47HH3

Item Description: POLYGARD CN OPTISCALE 47MM 30.0 um HH 3/PK

Based on the information received from our suppliers, some raw materials contain animal derived materials. The information we have received from our suppliers is summarized below:

A raw material contains a tallow-derived material sourced from bovine that originates from the United States, Canada and Japan and porcine that originates from the United States and Canada. The suppliers have stated that the animal is fit for human consumption. The suppliers have also stated the following processing conditions for the tallow-derived material: trans-esterification or hydrolysis at not less than 200 °C for not less than 20 minutes under pressure. The processing conditions meet the requirements of the "Note for Guidance on Minimising the Risk of Transmitting Animal Spongiform Encephalopathy Agents via Human and Veterinary Medicinal Products" (EMEA/410/01 Rev. 2).
