

Statement of Animal Origin

Catalog Number: M00PMCB24

Item Description: M-COLIBLUE, 2ml, 50/PK COLIFORM & E COLI DETECTION MEDIUM

Based on the information received from our suppliers, some raw materials contain animal derived materials. The information we have received from our suppliers is summarized below:

A raw material contains two animal-derived materials. The first animal-derived material originates from porcine sourced from the United States. The second animal-derived material originates from bovine sourced from the USA and New Zealand. The supplier states that the animals are fit for human consumption. The processing conditions meet the requirements of the "Note for Guidance on Minimising the Risk of Transmitting Animal Spongiform Encephalopathy Agents via Human and Veterinary Medicinal Products" (EMEA/410/01 Rev. 2).
