

Statement of Animal Origin

Catalog Number: TZHADA210

Item Description: STERISOLUTEST EZ FOR DRY AMPOULES

Based on the information received from our suppliers, some raw materials contain animal derived materials. The information we have received from our suppliers is summarized below:

This product is not intended or labeled to be used in such a manner that it would contact materials destined for human, veterinary, or livestock consumption / parenteral injection nor is it intended or labeled to be used as a Medical Device, In-Vitro Diagnostics, or Laboratory Reagent. As such, this product is not subject to EMEA Directives 410/01 Rev 2, EC Directives 1774/2002 revised by 2007/2006, FDA 9 CFR 94.18, or proposed modifications to Title 21 relating to the use of Specific Risk Materials for BSE / TSE. Please contact individuals at the point of use to confirm that the product is being used in a manner consistent with its intended use and labeling. If you feel this determination was made in error, please contact Millipore Quality Systems at 800-645-5476.
