

Statement of Animal Origin

Catalog Number: UFC901024

Item Description: Amicon Ultra 15ml 10K 24pk

Based on the information received from our suppliers, some raw materials contain animal derived materials. The information we have received from our suppliers is summarized below:

A raw material contains a tallow-based additive that is derived from bovine material sourced from the United States and Canada. The supplier has stated the following processing conditions for the tallow-derived material: hydrogenation or hydrolysis at not less than 200°C for not less than 20 minutes under pressure, and distillation at 200°C. The processing conditions meet the requirements of the "Note for Guidance on Minimising the Risk of Transmitting Animal Spongiform Encephalopathy Agents via Human and Veterinary Medicinal Products" (EMEA/410/01 Rev. 2).
